2009 Notes:

Note 1: For the first time on the night of a Cincinnati/Hamilton County PIT Homeless Count, weather conditions led to the City of Cincinnati's Cold Shelter, operated by the Cincinnati Recreation Commission, to be open on the night of the PIT count, providing an additional emergency shelter option not available for previous PIT counts.

Note 2: In the 48 hours before the PIT Street Count, Cincinnati received 8 inches of snow and the low temperature was 19 degrees.

Note 3: In 2008, 16 beds at the Mt. Airy Center became a part of a new Transitional Housing program, increasing the number of TH beds by 16, and decreasing the number of emergency shelter beds by 16.
